

Dear Community Partner,

Combined Community Services (CCS) is excited to announce the 15th Turkey Lurkey 5K on Saturday, November 21, 2020 at 10:00 am in Winona Lake, IN. In the past we have had up to 300 runners participate in this highly anticipated event. The race route is on the Winona Lake Trails including the “off road” portion of the trails. For those who would like an extra challenge, somewhere on the route a stuffed animal turkey is hidden. The person who finds the hidden turkey will take home a real frozen turkey to enjoy for their Thanksgiving meal.

CCS provides comfort, hope and resources for neighbors in need. CCS works with people to stabilize their situation through our Emergency Assistance and continues the path toward independence by helping set and meet sustainable long term goals through our economic Self-Sufficiency programs. We are “Neighbors Helping Neighbors” by bringing the community’s resources to a single location to assist families in immediate crisis through long term case management by giving a ‘Hand Up not a Hand Out’.

Please consider partnering with us by sponsoring the 2020 Turkey Lurkey 5K! Attached you will find a variety of sponsorship opportunities so that you can choose the option that works best for your organization.
