

# HOMEBREW FEST

**KETTLEHEADS  
ANNUAL COMMUNITY  
FUNDRAISER**

---

**SPONSORSHIP OPPORTUNITIES**

# RAISE A GLASS TO HELP US SUPPORT OUR COMMUNITY!

Members of the Kosciusko Kettleheads, our county's one, and only homebrew club, dedicate themselves to more than brewing great beer at home. United behind their motto, "Brew Good. Do Good." they use the beer they brew to help support our community every chance they get.

One of the most impactful ways the Kettleheads help our community is through their annual Homebrew Fest. During this event, Kettleheads' come together to serve a wide variety of beers to the community and raise money for Combined Community Services.

This local non-profit provides comfort, hope, and resources to neighbors in need in Kosciusko County.

While the homebrewers each pay for the beer they brew, throwing the event requires various other costs, including promotion, tent rental, and purchasing tasting glasses.

**As a sponsor, your contribution will help offset these expenses so we can give as much as possible to CCS. Please consider donating at one of the levels listed, and help us celebrate a generous community!**
