Family Sign Up day on November 1st is for FIRST TIME FAMILIES who did not receive Adopt a Family help last year (2022) and who are not participating in Salvation Army's Angel Tree program.

If you received Adopt a Family help in 2022, you will not be able to sign up this year. You are welcome to check back with CCS after November 1 to see if there are still openings.

2. The family wish list will serve as a gift guide for program donors.
3. All donors will be given guided instructions in fulfilling each family's wish list, prioritizing the family's "needs" followed by the family's "wants."
4. Please do not request large items such as game consoles or large electronics.
5. Identifying information included on the application will be shared with program donors.
6. It will be your responsibility to communicate with the community donor that has chosen your family for gift pickup and/or delivery.
