

ADOPT A FAMILY

BRING HOPE TO NEIGHBORS IN NEED

For a variety of reasons, families in Kosciusko County experience hardship and struggle in very real ways that effect many areas of life including the Christmas season.

Combined Community Service's Adopt a Family program helps children and families by providing food, toys, clothing, and something even more important: **Hope!**

The Adopt a Family program has been making an impact in our community for many years, connecting those who can help with those who need help. Volunteering in this program is an opportunity for individuals, teams, companies, and organizations to reach out and lift up neighbors in need, either through direct adoption or financial contribution. Your gift, large or small, makes a huge difference!
